Dear Parent/Carer,

We understand you may be concerned about an incident this morning, which took place outside the school before the start of the school day.

As you will appreciate, we are unable to share specific details, as this is now a police matter. We can, however, confirm that we are working closely with the families involved, and have drawn on other professionals as appropriate, including our allocated Schools Officer.

We would like to reassure families that we have robust procedures in place to maintain a safe and secure school environment, and that we continually review our procedures to ensure we have considered all factors to maintaining a safe environment.

If you have any specific concerns, please email the admin account, marking the email for attention of the DSL.

Thank you for your support and understanding.

Firdusi Uddin
Head of School- Secondary and Sixth Form
