

Year 10

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
UNIT 12 R&P 3 - Compound units and percentage change	UNIT 14 Algebra 4 - Quadratics, cubic graphs. Solving quadratics and simultaneous equations	UNIT 16 Algebra 5 - Algebraic proof	UNIT 18 Geometry 4 - Pythagoras, trigonometry and area of a triangle	UNIT 19 Algebra 6 - Inequalities and graphs	UNIT 20 Probability 2 - Venn diagrams and tree diagrams
UNIT 13 Number 3 - Standard form, recurring decimals and bounds	UNIT 15 Geometry 3 - Area, surface area, volume and circle theorems	UNIT 17 Statistics 2 - Scatter graphs, frequency polygons and vectors			Revision for July mock Non-calculator topics

Year 11

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
UNIT 21 Algebra 7 - Quadratic functions, completing the square and approximate solutions	UNIT 23 Geometry 5 - Trig. graphs, exact values and transformation of graphs	STP based on December mock	UNIT test data used to recap weak units	STP based on April mock	
UNIT 22 R&P 4 - Rates of change, interest, growth & decay and iteration	UNIT 24 Geometry 6 - Loci and construction	UNIT test data used to recap weak units	Exam Paper revision
