

A-level Chemistry

Term	Year 12	Year 13
Autumn 1	GCSE Review – Chemical Fundamentals Elements of Life Developing Fuels <i>Autumn 1 Assessments in lessons</i>	The Chemical Industry Polymers and Life <i>Autumn 1 Assessments in lessons</i>
Autumn 2	Elements of Life Developing Fuels The Ozone Elements from the Sea <i>Autumn 2 Assessments in Hall</i>	Polymers and Life Developing metals The Oceans <i>Autumn 2 Assessments in Hall</i>
Spring 1	The Ozone Elements from the Sea What's in a Medicine? <i>Spring 1 Assessments in lessons</i>	The Oceans Colour by Design <i>Spring 1 Assessments in lessons</i>
Spring 2	What's in a Medicine? Elements of Life, Elements from the Sea and What's in a Medicine revision - practical and literacy <i>Spring 2 Assessments in lesson</i>	Scientific Literacy in Chemistry Review of Practical Skills <i>Mock Paper, Review and Revision</i>
Summer 1	Elements of Life, Developing Fuels, Elements from the Sea	Chemical Literacy, Practical Chemistry, Year 1 Revision
Summer 2	The Ozone and What's in a Medicine Revision	Exams Begin
